

A man with a mustache, wearing a grey knit beanie with a white stripe, a purple jacket over a plaid shirt, and khaki pants, stands in a green field. He is holding a massive, thick, orange carrot vertically in front of him. The carrot is significantly larger than his torso. The background shows a vast green field under a cloudy sky. The text "BEST IN SHOW" is overlaid in large white letters across the center of the image.

ALICE HOUSE

OUR SUPPLIERS

We are proud of every product that crosses the bar or the kitchen pass in our venues.

Our suppliers are the cornerstone of our dishes and drinks and we won't compromise on provenance and sustainability.

Here are some of the people that we work with:

Our ice cream is made by **The Ice Cream Union** in Bermondsey. Founded by Argentinian brothers Alex and Franco, The Union have perfected their own style of ice cream using great ingredients and the flavours change with the seasons.

Our coffee comes from **Coleman coffee**, a company established in 2010 by Jack Coleman. Jack hand roasts small batch, South American beans on a refurbished mid-century gas-powered Otto Swadlo roaster, salvaged from a friend's house boat.

Metrodeco Tea produce our loose leaf, ethically sourced teas blended in the Metrodeco tea salon in Brighton. Helen from Metrotea runs tasting and training sessions for team members so we can be sure that we're serving the tea the way it was intended.
