## OUR SUPPLIERS

*We are proud of every product that crosses the bar or the kitchen pass in our venues.*

*Our suppliers are the cornerstone of our dishes and drinks and we won't compromise on provenance and sustainability.*

*Here are some of the people that we work with:*

**Hodmedods** supply traditional **British pulses, peas and grains** from all around the UK. They're well known for supporting local farmers in reintroducing forgotten products such as fava beans, **Black badger** beans and British grown yellow peas.

**Our milks and creams** are supplied by the **Estate Dairy**. All their products come from Guernsey cows, the herd is farmed sustainably over 500 acres of Somerset farmland. Products from Estate Dairy are always free range, sustainable and traceable.
