ALICE HOUSE

OUR SUPPLIERS

We are proud of every product that crosses the bar or the kitchen pass in our venues.

Our suppliers are the cornerstone of our dishes and drinks and we won't compromise on provenance and sustainability.

Here are some of the people that we work with:

All cured meats on our menus and special boards are British. They're sourced from all around the UK in Borough Market for **Canon and Canon**.

Our English cheeses are sourced by **Neal's Yard**. They hand pick the best cheeses from around the UK and perfect them in their maturing rooms under a railway arch in Bermondsey.

Most of **our oils and deli items** are delivered to us by **Greg and Paulina** at Isle of Olive on Broadway Market, London Fields. Everything is sourced from independent Greek producers and the Amfissa olives we use are organic.

See other postcards to find out about the rest of our suppliers.
